

My siblings and I had an amazing father — reliable, supportive, hard-working, encouraging, loving, charming — he was our superhero. He was that to us and to family and friends who thought the same of him. Papi was the kind of father that drives you to want to be a better parent yourself. The kind I prayed my kids would have one day.

As fate would have it, Jose Ramon Perez was my answered prayer. I can't imagine a better father for Lauren and Danny. A special shout-out to you, Babe, as we celebrate you this Sunday (and every day). We love you!

And to all the dads out there, happy Father's Day!

What are you thankful for today?

Until next Thursday's post…si Dios quiere.
