

Good morning! Tell me four things you appreciate about your normal, ordinary day. Should be easy, 'cause you are blessed, and you know it.

I'll start, here are my four:

- That first sip of coffee while I whisper my morning prayers.
- My memory accessing special moments.
- Conversations with my family.
- Typing with all ten digits.

When life turns upside down we start to crave the calm and routine days. Let's enjoy those before they are interrupted, and never ever take them for granted. Remember, sometimes ordinary can be extraordinary.

For my normal days, I am so very grateful.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

*"Normal day, let me be aware of the treasure you are.
Let me learn from you, love you, bless you before you depart.
Let me not pass you by in quest of some rare and perfect tomorrow."
-M.J. Irion*

*"It has taken awhile, but I certainly do know it now – the most wonderful gift I had, the gift I finally learned to cherish above all else, was the gift of all those perfectly ordinary days."
-K. Kenison*

"I'm happy to be reminded that an ordinary day full of nothing but nothingness can make you feel like you've won the lottery."

-S. Orlean
