

Hello, my fellow lottery enthusiasts. If like me, you're getting ready for work AGAIN this morning, let me echo what most of us already know: EVERY day we are alive and kicking is a win – – said no one who didn't hit a $1.58 Billion jackpot. No, but really, we have a roof over our head, nourishment for the body, and many people who love us. That's a heck of a jackpot right there. Truly, we are already winners.

For everything that I have that money cannot buy, I am so very grateful.

P.S.: If you're the Floridian who hit the jackpot, I've got two great ways for you to spread your wealth. Click on St. Jude / Team RxfortheSoul and Miracle for Mathias (please read his story).

What are you thankful for today?

Until next Thursday's post…si Dios quiere.
