

Allow me to provoke your thoughts this morning:

We can complain because rose bushes have thorns, or rejoice because thorns have roses.

That's it. Take a pick...and make it a good day.

For every time I can shift my perspective, I am most grateful.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

[Note: In case you're not Spanglish-speaking, "si Dios quiere" means God-willing. Mom finished most of her sentences with that phrase. After her passing, I added it to my sendoff in her honor.]

"Loving people live in a loving world. Hostile people live in a hostile world. Same world."

-W. Dyer

change
the way
you look
at
things,
the
things
you look
at
change."
