

Almost there, people, almost there. It has been a year filled with A LOT.

A lot of work, a lot of stress, a lot of anticipation, a lot of laughter, a lot of love. May 2024 also be filled with A LOT...of the good stuff. Here's to making memories. God bless!

Until next Thursday's post, the first one of the year, I remain forever grateful.

What are you thankful for today?

"Hope smiles from the threshold of the year to come, whispering 'it will be happier.'"

-A.L. Tennyson

"Lord, as the New Year dawns today,
Help me to put my faults away.
Let me be big in little things;
Grant me the joy which friendship brings;
Keep me from selfishness and spite,
Let me be wise to what is right.
A Happy New Year! grant that I
May cause no tear to any eye.
When this new year in time shall end,
Let it be said: "I've played the friend,
Have lived and loved and labored here
And made of it a happy year."
