

Good morning, and happy New Year!

It feels like just yesterday I was posting last week's Thankful Thursday. But, between then and now, we celebrated a beautiful wedding, said goodbye to 2023 and hello to a brand new year. Aaaaand here we are.

Let me get you started on a hopeful and empowering note. Because after all, that's what this blog aims to do.

Repeat after me:

I am grateful for another day, and I can do all things through Him who strengthens me.

May God bless us all with much health this new year.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.
