

Some food for thought. Because amidst the daily barrage of nonsense, there should be intellectual nourishment:

Three things in life that, once gone, never come back -

Time

Words

Opportunity

Three things in life that may never be lost -

Peace

Hope

Honesty

Three things in life that are most valuable -

Love

Health

Family

Three things in life that are never certain -

Dreams

Success

Fortune

Three things that make a person -

Hard work

Sincerity

Commitment

Three things in life that can destroy a person -

Liquor

Pride

Anger

Three things that are truly constant -

Father

Son

Holy Ghost

Can you think of one to add to each?

For words that make me go “hmmm,” I am always grateful.

What are you thankful for today?

Until next Thursday’s post...si Dios quiere.

“Food for thought requires a mind with teeth.”

-G.C. Levine

[Note: In case you’re not Spanglish-speaking, “si Dios quiere” means God-willing. Mom finished most of her sentences with that phrase. After her passing, I added it to my sendoff in her honor.]

"Food for
thought
requires a
mind with
teeth."
