

It's later than we think.

That's it. That's my message today.

So...things I do *pronto*:

- Kiss my kids on the head at first chance... and tell 'em "'Cause I FELT like it." I know they secretly love it.
- Pray
- Say thank-yous to my husband for maintaining our castle 365/24/7.
- Call a friend.
- Watch rain fall.
- Say I love yous.

Don't leave things for later. Because, yes, it's later than we think.

What's on your "*pronto*" list, and what are you thankful for today?

Until next Thursday's post...si Dios quiere.

"Don't leave anything for later.

Later, the coffee gets cold.

Later, you lose interest.

Later, the day turns into night.

Later, people grow up.

Later, people grow old.

Later, life goes by.

Later, you regret not doing something...

When you had the chance.

So, let us not leave anything for later. Let us seize the moments as they come, with hearts open and arms outstretched to embrace the possibilities that lie before us. For in the end, it is not the things we did that we regret, but the things we left undone, the words left unspoken, the dreams left unfulfilled.”
