

And what is this blog if not a platform to remind us all that there, amidst the flaws, the mundane, the inconveniences, the highs and lows, exist our blessings?

In our daily grind and moments of stress, we tend to forget that. We just get so bogged down with negativity, you know, that we lose sight of the perfect imperfections.

Lucky for us, there is a fix for that. We need only to adjust our eyes. Fix them on God. He can help us redirect our day, and focus on our blessings. Really.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

"Your terrible job is the dream of the unemployed.

Your house is the dream of the homeless.

Your smile is the dream of the depressed.

Your health is the dream of the ill.

Don't let difficult times make you forget your blessings."

At first, I didn't think of it as a gift and begged God to remove it. Three times I did that, and then he told me, 'My grace is enough; it's all you need. My strength comes into its own in your weakness.'"

*-2 Corinthians 12:8-9*
