

I've said it before and I'll say it forever – spending time with family is food for the soul.

Because most things in life are transient, but the jolt of LIFE we experience when we spend time together, whether via video call or in-person, well...that jolt is everlasting.

We are grateful for the sights and sounds of our loved ones, and for the hugs...the many hugs, when we do get to gather under the same roof. So happy Danny and Lauren were in town recently.

There are ways. Just Make Time.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.
