

Let’s begin October with a little soul food for your spirit.

“Coffee never imagined it could be soft and sweet… until it met sugar and milk. We’re all good on our own, but we get even better when we’re around the right people.”

Nice. Nothing like a *cortadito* to set you right.

My friends, surround yourselves with people who bring out your best, who make your life lighter, warmer, and yes, a little more flavorful.

I feel incredibly fortunate to have a circle of people who do just that for me. You guys rock. ❤

What are you thankful for today?

Until next Thursday’s post…*si Dios quiere*.

“Sometimes the most ordinary things could be made extraordinary, simply by doing them with the right people.”
-N. Sparks

“It’s not what we have in life, but who we have in our life that matters.”
