

Family and friends, this is the season to be extra giving, extra forgiving, and extra thankful.

This Thanksgiving, I want to share some words I came across recently:

“Thankfulness takes the sting out of adversity. It opens your heart to His presence and your mind to His thoughts. You may still be in the same place, with the same set of circumstances, but it is as if a light has been switched on, allowing you to see from His perspective. It is that light that removes the sting from adversity.”

I love that. I hope it brings a little light to you today as well.

Wishing all of you a heart full of gratitude, peace, and all the good stuff this season brings. I am grateful for every one of you.

What are you thankful for today?

Until next Thursday’s post...si Dios quiere.

“I am grateful for what I am and have. My thanksgiving is perpetual.”
