

Did you notice that February this year has four full weeks? No extra days, just perfectly aligned weeks. For someone like me who loves order (okay, I'm OCD), that's incredibly satisfying to see. A beautifully complete month. It made me think of that classic movie line, "You complete me." ☐ If only life were always that neatly aligned.

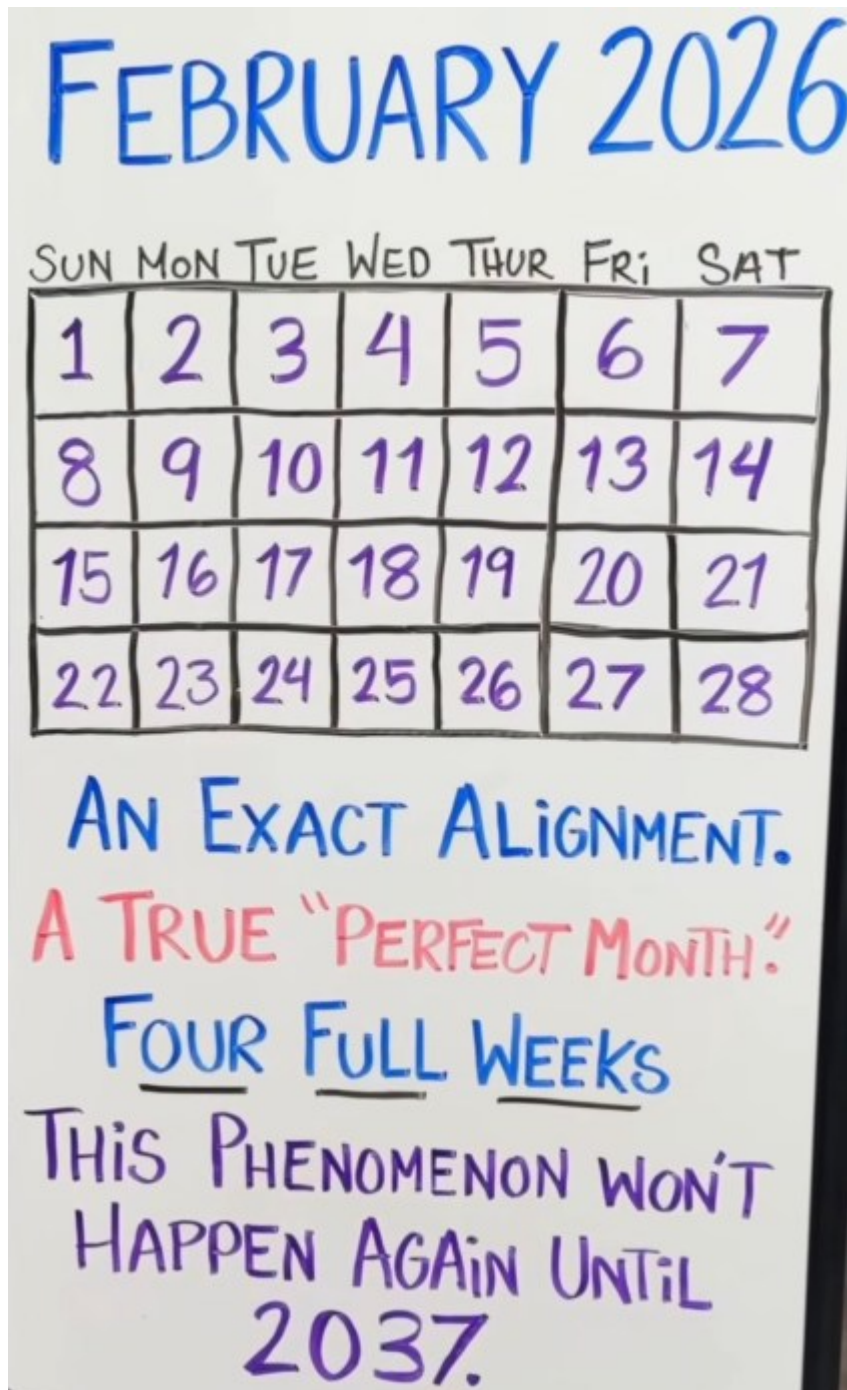

Then it hit me. I can say that about God. He fills in the gaps and brings alignment to my life. No less, no more. Just what I need, when I need it. Yup, God completes me. On messy days, ordinary days, and extraordinary ones. He completes me. And for that, I'm very grateful.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

*"You complete me."*
