

What if every step we take could help change a child's future?

I believe it can. That's why I'm proud to be participating in a cause that means so much to me. This is our eighth year walking as Team Rx for the Soul in support of the incredible kids and families at St. Jude Children's Research Hospital.

In case you didn't know, one of the things that makes St. Jude so special is that families never receive a bill for treatment, travel, housing, or food. Isn't that just amazing? This way, parents can focus on helping their child heal.

Thanks to your support, Team Rx for the Soul has consistently ranked among the Top 5 fundraising teams in Miami year after year. I am deeply grateful for everyone who has helped us make an impact along the way. It is something I never take for granted.

If you're able, I'd love your support. No donation is too small.
