Do you believe in miracles? I sure do.

One of the biggest miracles to me is the people God puts in our lives at just the right time. I've seen this happen more times than I can count. I've even written about some of those moments before, but it never gets old. I'm still amazed every time it happens, not just in my own life, but when I hear stories from my family and friends.

It's what I like to call an "SPG" – Strategically Placed by God.

A friend calls or texts out of nowhere because God put you on their heart. Someone you just met says exactly what you needed to hear or shows you an unexpected act of kindness (Ledys, my friend, that one's for you). The person who shows up at just the right time, prays with you, encourages you, or opens a door you never expected. And so on.

Coincidence? I don't believe so. *Nada es casualidad*. It's an SPG moment.

Today, I'm especially thankful for His mercy, His faithfulness, and for every SPG He's placed in my life. Jeez, I can see His fingerprints all over my journey. Amazing.

What has an SPG moment looked like in your life? And what are you thankful for today?

Until next Thursday's post…si Dios quiere.

"Your love, Jesus, is an ocean
with no shore to bound it.
And if I plunge into it, I carry
with me all the possessions
I have. You know, Lord,
what these possessions are —
the souls you have seen
fit to link with mine."
