

How is Thanksgiving already next week?!

Time to slow down for a minute, my friends, and think about all the things we have to be thankful for. Because between work, errands, family, and trying to keep up with life…phew! Sometimes we lose track of our blessings.

When you really think about it, our biggest blessings aren't things at all. They're the people who love us. So as we head into Thanksgiving, let's spread a little extra love and check on our people.

And let's remember that Thanksgiving doesn't have to mean a table full of turkey and all the trimmings. It could be pizza, *arroz con huevos fritos* (my fav), or whatever is easiest. It's not about what's on the table, but who's sitting around it. ❤

Today, I'm especially grateful to God for carrying me this far this year. I can tell you that even when things don't go as planned, He's always there.

What are you thankful for today?

Until next Thursday's post…si Dios quiere.
